TRAPPLE FRUIT FLY TRAP

THE EASY-TO-USE SOLUTION TO ATTRACT FLIES AWAY FROM FRUIT USING NON-TOXIC, NATURAL ATTRACTANTS

The trapple fruit fly trap is an attractive, decorative way to eliminate the annoyance of fruit flies. Attractant cup and gluecard are non-toxic, natural attractants that last 30-45 days. Replacement cups and gluecards are available. With trapple, only four easy steps are needed to capture and contain fruit flies in your home.
