

# Sit Back and let the Flyweb<sup>ZE</sup> work for you.

TRAPS ALL KINDS OF FLYING INSECTS

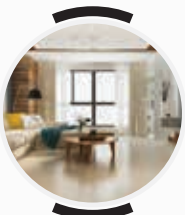

## TRAPS ALL KINDS OF FLYING INSECTS

The Flyweb ZE is an innovative and efficient solution for tackling pesky flies in your home, office, or kitchen. Designed with user convenience in mind, this sleek and compact device uses advanced UV light technology to attract and capture flies, ensuring a fly-free environment without the use of harmful chemicals or unpleasant odors.

Its quiet operation makes it suitable for any setting, while its energy efficient design ensures minimal impact on your electricity bill. Easy to install and maintain, the Flyweb ZE is the perfect addition to any space, offering peace of mind and a more hygienic environment. Say goodbye to flies and hello to cleanliness with the Flyweb ZE.
